

Congratulations on your 2008 Awards and for earning a spot at President's Circle!

Dear Randy:

We extend our sincere congratulations to you and your team on earning President's Circle and Million Dollar Club.

You are recognized with the Top Product Sales - Sage Master Builder, Sage Timberline Office award. This distinction earns you a spot at this year's exclusive President's Circle, where you will be honored at an official awards ceremony to be held at the luxurious Grand Hyatt Kauai Resort and Spa in Kauai, Hawaii, January 29 - February 2, 2009. We look forward to spending time with you there!

As one of only 50 other Sage Software business partners, you were able to exceed \$1 million in annual sales of Sage Software products and services -- earning the prestigious Million Dollar Club Award.

By publicizing the achievement you've earned through your exceptional sales efforts, you can influence your exposure and build confidence among your customers and prospects. Next week you will receive an e-mail with attachments for a press release template and distinctive award logos to include in your marketing and sales pieces and collaterals.

In what proved to be a very challenging year for all businesses, the outstanding results you have achieved are all the more impressive. We thank you again for your ongoing dedication, commitment, and excellence. We look forward to another exciting year.

Very best regards,

John Geffel  
Senior Vice President, General Manager  
Industry & Specialized Solutions Division  
Sage Software
