Free data migration through Starfish® ETL

Starfish® ETL Free Data Migration Offer - Terms, Conditions, and Limitations

As part of the Sage ACT! to CRM program, qualified customers are eligible for free data migration using Starfish ETL Utility developed by Technology Advisors. The Starfish ETL service is designed to move a standard Sage ACT! database to a standard, non-customized SageCRM implementation.

- **The basic free migration offered as part of the program is limited to the following:**
 - Account
 - Contact information, with associated address, phone, email & web address
 - Activities, scheduled activities
 - History Records, completed activities
 - Attached documents
 - Opportunities
 - The mapping of opportunities is limited to simple information. No attempt to incorporate the opportunity into workflow is made as part of the Starfish ETL.
 - Sage ACT! secondary contacts are also moved.
- **Limitations of the basic free migration:**
 - Sage ACT! will not be replicated in SageCRM
 - Company hierarchies are not replicated
 - Recurring activities will not be migrated

Starfish® ETL Disclaimer - Sage ACT! to a Sage CRM Program
