

Sage ERP EasyPay Purchase Program

Promotion valid October 2011 – March 2012

The EasyPay Purchase program is an installment payment plan that gives Sage ERP customers the flexibility to spread out **the initial new license software** and M&S cost over a 3-year period. Customers pay Sage in convenient recurring monthly installments.

Customer Benefits:

- Automatic monthly payment schedule via ACH or credit card.
- Flexible 3-year term.

NOTE: 5-year term and 3-year Quarterly option will be discontinued on December 1, 2011

- Installment payments ease the cash flow burden.
- No large up front payment.
- Lower monthly payment amounts are likely to expedite approval within the organization.
- Eliminates challenges of securing third party financing.
- Sage Business Care (maintenance/support) is covered for the entire 3-year term.
- No finance charges (on approved credit).

Product Lines:

Sage ERP Accpac 200 and 500

NOTE: Excludes Sage ERP Accpac 100,
